All skills development workshops are delivered either on client premises - the quality criteria of which is specified by Human Performance - or delivered in Human Performance sourced venues - normally suitable hotel conference facilities or dedicated commercial training venues.

All workshops, regardless of the subject, provide the following resources for all delegates:

- Detailed workshop overview and prospectus
- Minimum entry requirements for candidates
- Offer of additional support for candidates to overcome any disabilities that would otherwise prevent access to EDI Endorsed Qualifications and Human Performance Skills Development workshops
- Detailed joining instructions and full programme administration
- Detailed candidate learning pack and programme manual
- Unlimited free access to follow up support and guidance to utilise knowledge and develop skills and competence
- Access to electronic versions of any handouts if required

Human Performance will only offer EDI Endorsed Qualifications and Skills Development workshops in locations that meet our exacting minimum requirements and which ensure we can maintain the requirements required to maintain EDI Approved Centre Status.
